NORTH CAROLINA

THIRD SUPPLEMENT

By

DAVID L. WRAY, Ph.D.

181 pp

RALEIGH, N. C.

JUNE, 1967

NORTH CAROLINA DEPARTMENT OF AGRICULTURE
JAMES A. GRAHAM, Commissioner

DIVISION OF ENTOMOLOGY
GEORGE D. JONES, Director

- **Drosophila melanura* Miller. Transylvania Co., (July-August); DDM & LW, l.c. vol. 72, 1964, pp. 96-97.
- **Drosophila nigromelanica* Patterson & Wheeler. Highlands (July-August), Bull Pen Road (August), and Cullasaja River Gorge (August), Macon Co., Transylvania Co., (July-August); Whiteside Mt., and Wright's Creek, Jackson Co., (July-August); DDM & LW, l.c. vol. 72, 1964, pp. 96-97.
- **Drosophila colorata* Walker. Highlands, Macon Co., (July-August); DDM & LW, l.c. vol. 72, 1964, pp. 96-97.
- **Drosophila robusta* Sturt. Highlands (July-August), Bull Pen Road (August), and Cullasaja River Gorge (August), Macon Co., Transylvania Co., (July-August); Whiteside Mt., and Wright's Creek, Jackson Co., (July-August); DM & LW, l.c. vol. 72, 1964, pp. 96-97.
- **Drosophila testacea* Roger. Highlands (July-August), Bull Pen Road (August), and Cullasaja River Gorge (August), Macon Co., DDM & LW, l.c. vol. 72, 1964, pp. 96-97.
- **Drosophila tripunctata* Loew. Highlands (July-August), Bull Pen Road (August), and Cullasaja River Gorge (August), Macon Co., Transylvania Co., (July-August); Wright's Creek (August), Jackson Co., DDM & LW, l.c. vol. 72, 1964, pp. 96-97.
- **Drosophila virilis* Sturt. Highlands, Macon Co., (July-August); DDM & LW, l.c. vol. 72, 1964, pp. 96-97.
- **Stegana vittata* (Coquillett). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 774.
- **Prosophila americana americana* (Spencer). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 763.
- **Prosophila euronotus* (Patterson & Ward). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 764.

Family OCHTHIPHILIDAE

Ochthiphila polystigma Mg. Pineola, June, DLW.

Family SAPROMYZIDAE (=LAUXANIIDAE)

- Camptoprosopella confusa* Sh. Black Mts., paratypes, (Can. Ent., July, 1930.)
- Camptoprosopella slossonae* Sh. Black Mts., paratypes, l.c.
- Sapromyzosoma houghi* Coq. Raleigh, May, DLW.
- **Sapromyza rotindicornis* (Loew). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 704.
- **Trivialia fuscicapitata* (Malloch). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 705.
- **Homoneura bispina* (Loew). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 698.
- **Homoneura fraterna* (Loew). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 698.
- **Homoneura nubila* (Melander). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 699.
- **Homoneura ornatipes* (Johnson). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 699.
- **Lauxaniella femoralis* (Loew). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 700.
- **Lauxaniella manuleata* (Loew). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 700.
- **Lyciella novaescotiae* (Shewell). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 700.

- Lyciella pictiventris* (Malloch). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 700.
- Minettia americana* (Shewell). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 701.
- Minettia buchanani* (Malloch). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 701.
- **Minettia glauca* (Coquillett). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 701.
- **Minettia lyaformis* (Shewell). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 701.
- **Physoclypeus coquilletti* (Hendel). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 702.

Family MILICHIIDAE

- Desmometopa tarsalis* Lw. Raleigh, July.
- **Phyllomyza milnei* (Steyskal). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 729.
- **Phyllomyza securicornis* (Fallen). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 729.
- **Aldrichiomyza agromyzina* (Hendel). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 730.
- **Milichiella bisbignota* (Melander). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 733.
- Milichiella lucidula* Becker. Raleigh, Sept.
- Pholeomyia decorior* Steyskal. Orton Plantation (Brunswick Co.), May 2, 1939, D. L. Wray, type male. (Fide Steyskal, Ent. News 54 (4), 100-103, April, 1943).
- **Pholeomyia indecora* Loew. North Carolina; fide C. W. Sabrosky, Annals Ent. Soc. America vol. 52, 1959, pp. 322-323.
- **Pholeomyia vockerothi* Sabrosky. Highlands, holotype male, 3800 feet, June 24, 1957, J. R. Vockeroth; fide C. W. Sabrosky, Ent. News vol. 72, 1961, pp. 231-232.

Family AGROMYZIDAE

- Agromyza platyptera* Th. Raleigh, July.
- Agromyza pusilla* Mg. Raleigh, July; Hendersonville, June.
- Agromyza virens* Lw. Hendersonville, June.
- Cerodontha* sp. Raleigh, October.
- **Phyttagromyza nitida* (Malloch). North Carolina; fide Alan Stone et al, l.c. Cat. Diptera America, Handb. No. 276, USDA, 1965, p. 803.

Family GEOMYZIDAE

Mumetopia occipitalis Mel. Raleigh, May, Sept.

Family TETHINIDAE

Rhinoessa albula Loew. North Carolina; fide A. L. Melander, Jour. New York Ent. Soc. vol. LIX, 1951, pp. 202-203.

Family HIPPOBOSCIDAE

- Ornithoica confluens* Say. Raleigh, on a nestling Cooper's Hawk, July 10, 1941, probably a stray from a passerine bird.
- Ornithoica vicina* Wlkr, replaces *O. confluens* Say.

Trinckley 1967
